**Zoning:** R-1 Single-Family Residential

**Recommendation:** Cancellation

**Summary:** The Zoning, Building, Planning & Environmental Health Department proposes cancellation of an existing Special Use Permit for a Contractor's Yard (CSU-40013). Despite authorization of the use predicated on specific Conditions of Approval established by the Board of County Commissioners, as well as subsequent contact from the Zoning Enforcement Office for noncompliance, the requirements for development have never been addressed.

Authorization of this proposal will result in the removal of the Special Use Permit from the official Zone Map, and will revert the property back to its underlying original zoning designation of R-1 Single-Family Residential.
